

**WEDNESDAY MORNING 4TH DIMENSION GROUP
ST. LAWRENCE CHURCH**

**Group Number: 682198
District 48**

This group's first meeting was on November 7, 2007. The early members that started this group were: Boyd M., Darrell W., Geno H., Tom J., and Danny L.

This group was started because the nearest meeting on Wednesday mornings was in Montoursville, PA. It was much easier for some people to make a meeting on the Southside of Williamsport. It was not because o a split from another group.

The first meetings were held in the St. Lawrence Rectory basement every Wednesday morning. Meetings are now held every Wednesday but have moved into the St. Lawrence Church dining room.

Open meetings consist of open discussion on the Daily Reflection reading for that date.

One meeting has split off from this group, in July, 2010 and is also held on the same day.

In the last year the name has changed from The Wednesday morning 10:00 AM Meeting to read as the Wednesday Morning 4th Dimension Group.

This meeting has not added any weekly meetings. Attendance has increased from approximately 8 – 10 people to approximately 20 – 30. Group membership at present is 35 people.
