

Wednesday Night Plain and Simple

Wednesday Night Plain and Simple group met for years at the Trinity United Methodist Church on Lycoming Creek Road. Larry S., Jean V., Katie and Dave were among the early members and founders, giving this group its conception in November of 1988. It has always been an open formatted meeting. The meeting started with attendance of 6 to 7 members and has grown to 60-80 members attending regularly. The meeting moved only once to its new location on Diamond Street in Newberry. It is still going strong and is at 7pm. All are welcome.
